Dear Mr. Patrick,

Just a note to express my appreciation for the job Community Matters, Inc. performed in publishing the Chamber of Commerce map. The complete turnkey program is refreshing. Most importantly, our members truly enjoyed their experience during the sales and production process. We have heard back that they were happy with the attention received from your sales, graphic, and administrative staff.

The Plano Chamber of Commerce Detailed Street Map and Community Guide has become a wonderful marketing tool to promote our community to those living in, visiting, or considering a move to Plano. We will recommend your map publishing abilities with complete confidence to all Chambers of Commerce looking for this service.

Keep up the great work!

Sincerely,

Brad C. Shanklin
